WELCOME ABOARD LETTER

To our newly reporting staff and family members,

Congratulations on your new assignment to U.S. Marine Corps Forces Cyberspace Command (MARFORCYBER). We welcome you as an integral member of our organization, which is poised to conduct full spectrum cyberspace operations in support of joint and coalition forces in order to enable freedom of action across all warfighting domains, and deny the same to our adversaries. Our motto, *Semper in Proelio*, is Latin for "Always in Battle". Our motto reflects the reality of cyberspace as a contested domain, and the challenging, but necessary work required to defend not only the Marine Corps Enterprise Network, but the Nation.

We accomplish our mission within the construct of three priorities; to secure, operate and defend the Marine Corps Enterprise Network, to provide a warfighting capability to U.S. Cyber Command and the joint force, and to provide value to the Marine Corps Air-Ground Task Force. All three priorities are linked with one another and our success depends on individual actions and more importantly, how we operate as a team.

You'll be joining an outstanding team at MARFORCYBER - one that is made up of dedicated professionals who are competent and committed to mission success in the warfighting domain of cyberspace. As a member of this command we expect everyone to lead by example, regardless of rank or billet.

We look forward to getting to know you and consider it an honor to serve alongside you. The Fort Meade, Maryland area should provide you (and your family) with many personal and professional choices for growth, education, and recreation.

Our team is eager to assist you with your arrival and transition. If you have questions, please contact your sponsor or the G-1 for assistance.

If not already completed, it is imperative that you focus on attaining your clearance and polygraph as quickly as possible. Without either of those, you will find yourself limited in your day to day activities within the command. Notify our Special Security Office if you have any questions or concerns regarding either of these.

Again, welcome aboard and *Semper Fidelis*!
